

CORPORATE GOVERNANCE STATEMENT
FOR THE FINANCIAL YEAR ENDING 31 DECEMBER 2018

This Corporate Governance Statement is effective at 15 April 2019 and has been approved by the Board of the Company as effective on that date. This Corporate Governance Statement accompanies the Company's Annual Report which was lodged with the ASX on 15 April 2019.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 31 December 2018 (FY2018), followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period. The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the size and nature of the Board during the past financial year and the magnitude of the Company's operations, the Board did not require the holding meetings of individual Board committees. Under the Company's Board Charter, in FY2018, the duties that would ordinarily be assigned to individual Board committees were carried out by the full Board under the terms of reference for those Board committees.

Transition from an exploration/evaluation to project development, through to mining production company

Subject to completing project finance during the financial year ending 31 December 2019 (FY2019), the Company expects to transition from an exploration/project evaluation/project development company to mining operations over the 12 to 15 months following financial close of project finance with its goal to have its first shipment of graphite concentrate in FY2020. With this evolution, and subject to completing project finance during FY2019, the Board believes that the convening of the Company's Remuneration, Nominations and Audit & Risk Committees may be appropriate such that the Board and its committees can evolve to a more traditional corporate governance model in line with ASX Corporate Governance guidelines.

In addition, during 2019, with the Company's transition from explorer to developer and graphite producer by 2020 (subject to completing project finance during FY2019), the Company plans to review and update its Corporate Governance policies, codes and charters as well as the abovementioned convening of the Audit & Risk, Remuneration and Nomination Committees with a view to insuring the Company's Corporate Governance is fit for purpose for a mining production company and reflects the Company's strategies and development plans.

In early 2018 the Board appointed two new Independent Non-Executive Directors, Mr. Jeff Dowling and Ms. Ivy Chen as part of the Company's ongoing transition and rapid growth to become a graphite production company. Mr. David Flanagan became Managing Director at that time and Ms. Cherie Leeden stood down from the Board. Effective from 8 April 2019, as part of its strategy of building the operational and development capability in its Management team, the Board appointed experienced mining operations executive Mr. Jeremy Sinclair as Managing Director & CEO, and Mr. David Flanagan was appointed Executive Chairman. In addition, Mr. Jeff Dowling became the Lead Independent Non-Executive Director on 8 April 2019.

After 7 years on the Board, Independent Non-Executive Directors, Mr. Brett Smith and Mr. Gilbert George, will stand down from the Board at the 2019 Annual General Meeting. The Company continues to have a majority of Independent Non-Executive Directors, with an Lead Independent Non-Executive Director, two other Independent Non-Executive Directors and two Executive Directors, being the Managing Director, Jeremy Sinclair and Executive Chairman, David Flanagan.

The Company's current Corporate Governance Plan which includes all the Corporate Governance policies and charters referred to in the table below are available to download on the Company's website at <https://www.batteryminerals.com/about-us/corporate-governance/>.

The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.
